SINCE IT'S NOT CHRISTMAS EVE

Since it's not Christmas Eve
Imagine my surprise
When I looked up and saw
Santa right before my eyes

I looked at the calendar
it wasn't Christmas eve
So I asked him, what's up
He said don't bug me, please

It seems there's been changes
and lots of them too
So I want be sure
I know what to do

When Xmas Eve comes
And I'm with my reindeer
We have to be careful
and have everything clear

It's starting to look
like you live at the Ritz
With all that's been done
By the BBQ pits

I see brand new tile
placed on every floor
I see carpet, new plants
and sidewalks galore

I saw railings installed
To keep everyone safe
My reindeers will love it
If they have to make hast

I feel better now
after seeing all this
Come Christmas Eve
I can stick to my list

Don't tell anyone
I stopped by today
Without my reindeer
Pulling my sleigh

On Christmas Eve
When every things
ready
I'll show up again
With toys and some
teddies

Be kind to each other
Cause life's very short
You don't want to be
known
as a big ole spoil sport

So go do your
shopping
get the mistletoe hung
love, laugh and
remember
It's supposed to be fun

Let the little one's know
I'll be coming real soon
So they need to be good
and clean up their room

So off I go now
Into the night
I'll be back real soon
When the time is just
right

But until I return
With my sleigh piled
high
With gifts for everyone
I say with a sigh

Remember this season
Is a time to share
To make other's happy
To show them you care

With that being said
My message is clear
Merry Christmas, my friends
And a Happy New Year!
