# Improvements!!!

Recently, our Maintenance Crew and Groundskeeper landscaped the area in front of Blg 3. The old dried up grass, shrubs and rocks were removed, the beautiful gardenia plants, red ti leaf & thai lillies were planted to give the area a new look. When you have time, please visit the area and see what a great job they have done and we hope you like the changes. If you are out walking around and see anything that needs improving, please let us know. We have a lot of improvements that will be taking place in the near future, and your suggestions are very welcome. Our goal is to make the Colonnade a place where we can all be proud to call home.
