Welcome (E komo mai)

Let's give a warm welcome to our new Site Manager Keoni Gaines II. He's been our Interim Manager since February and has done such a great job the Board decided to keep him on. Please come by and introduce yourself, he would love to meet you! Let's also welcome aboard our new Property Manager with Hawaiiana Al Connolley!

Why is it . . . when a person is right no one remembers, but when a person is wrong no one forgets!

DID YOU KNOW . . .

that Aiea is the only city in the United States with only vowels in its name!

Something fun!

With Memorial Day coming up it would be a great time to share our favorite recipes with one another, so stop by the office and bring by your recipes and if you see a recipe you like we would be happy to make a copy for you.
