# Friendly Reminders

\*When reserving Cabana and Game room facilities kindly take note of these friendly reminders after your event;

1. Clean up the area and kitchen facilities.
2. If chairs and table are rearranged please return them to their original location.

\* Absolutely no furniture of any sort or remodeling and move-out debris shall be placed in the trash rooms or the main dumpster area. Please take note of the Bulk pick up notices and newsletters that are posted every month and place your items out on the Sunday prior to pick up in the designated location. Also please WRAP and BAG your trash before placing it into the trash bins located on each floor. Unwrapped bags cause messes that overtime deteriorates the trash bins.

\*Pet Waste Stations are conveniently located throughout the property so PLEASE pick up your pet's waste and dispose of it accordingly and if your pet makes a mess on tile floors or in elevators etc. . . please clean up after your pet. Messes that are left behind may cause a slip hazard.

The Association and the Colonnade Management are not responsible for packages or deliveries left in halls, doorways or any other common element of the Project. However, if a package was left at your door by mistake kindly deliver the package to the correct unit or contact the office to arrange to have the resident contacted. Also packages and keys may not be left with Security.

Violaters will be fined for non-compliance of Colonnade House Rules.
