## Board Vacancy

We would like to thank Valerie Taylor voluntarily serving on the Board and wish her the best. However, her departure leaves the Board with a vacancy so owners who would like to serve as a Director, we are accepting applications. Next Board Meeting takes place on August 24th, 2015.

## Friendly Reminder

Please **DO NOT** throw lighted or unlighted cigarettes off your lanai or out the window. Anyone found doing so may receive a violation and fine. We are receiving many reports of cigarette burns on lanais. Upholstered lanai furniture and rugs are kept on lanai's so a lighted cigarette poses a serious threat and is a fire hazard. Please for safety reasons use common courtesy and discard of your cigarettes properly.

## Hurricane Preparedness Tip

Just a few Hurricane tips from Central Pacific Hurricane Center.

1. When a hurricane threatens, monitor your radio or television for the latest National Weather Service advisories, as well as any special instructions from Civil Defense.
2. Hurricanes can cause power failures and cut off, or contaminate water supplies. Store a 7 day supply of water you can use for drinking, cooking, and bathing. Check battery powered equipment such as radios and flashlights.
3. Keep 7 days worth of non-perishable foods on hand and 2 weeks worth of special medication. Remember, stores and pharmacies may not be open during an emergency, when you need supplies.
