Smoke Detectors

Within 2 days, we've had 3 incidents of smoke detectors beeping for a long period of time which usually indicates the battery needs changing. So we kindly ask that you take this time in the new year to inspect all the smoke detectors in your unit and change the battery as needed to prevent the unpleasant beeping that resonates throughout the property

*Thank
you*

We want to give a big shout out to Jean Bryant (pictured above) for the wonderful job she did in coordinating a successful Christmas Party Potluck this year. And she warmly thanks all who took time out and prepared a delicious meal or simply joined in on the fun. We also thank Jeff Rapoza, Gloria Rossetti, Lexie Whitehurst and Mary Shumack for giving of their time and we sincerely appreciate all of your hard work. Great job to all for another eventful party
