Friendly Reminder

Recently we've had to replace many of our sprinkler heads. So we ask all residents to please use caution when walking or driving near or around the sprinklers.

Emergency Preparedness

It's that time of year again and Hurricane Season is upon us. Some tips on Emergency Preparedness:

1. Listen to a battery-operated radio or television for hurricane progress reports.
2. Check emergency supplies (we have a list in our office for all residents so feel free to pick up a copy).
3. Bring in outdoor objects.
4. If power is off turn off fridge and freezer to coldest settings. Open only when absolutely necessary and close quickly.
5. Avoid elevators.
6. Stay inside away from windows and glass doors.
7. Find the safest place to ride out the storm. Such as interior of the unit or closet.
8. Keep a supply of flashlights and extra batteries on hand.
9. Secure your unit by unplugging appliances and turning off electricity to reduce power surge when electricity is restored.
