

COLONNADE ON THE GREENS MAY 2013 NEWSLETTER

MAY 18, 2013

A Big Mahalo to
our Colonnade
Military men and
women

F What is Vog? It is a familiar term used in Hawaii to describe hazy conditions caused by volcanic emissions!

Health effects vary greatly among individuals. People with pre-existing respiratory conditions such as asthma, emphysema and bronchitis are more prone to adverse effects of the vog. Common symptoms; headaches, breathing difficulties, watery eyes or sore throat. So residents please take necessary precautions!

Friendly Reminders

* Noise from apartment repairs and remodeling work shall be limited to the hours of 8 am - 5 pm, Monday thru Saturday ONLY! No Sundays or Holidays!

* Don't forget to turn off fans and lights when leaving all amenities!

* We've had an influx of residents dropping their keys down the elevator shaft so residents when entering/exiting the elevators PLEASE hang onto your keys!
