URGENT NOTICE

SPECTRUM BULK CABLE UPDATE

We are aware the transition to bulk cable will have its growing pains so we appreciate your continued patience and cooperation. After extensive communication with our Account Executive at Spectrum, we are requesting all residents who have questions or concerns pertaining to this transition to contact their **customer care department at 643-2100**, billing questions such as; “What if I’ve already made my payment?” Or “I’ve received my bill what do I do now?” All these questions and more will be gladly answered by their customer care department. Once again we understand your concerns and appreciate your patience.
