

COLONNADE ON THE GREENS

URGENT NOTICE - PLEASE READ!!!!!!

NEW SIGN IN PROCEDURES UPDATE

Many of you received the letter to the new sign in procedures regarding guests and obtaining driver's license when entering property. After much review and concern from residents, it has been decided that the changes will NOT be implemented. Sign in procedures will remain the same. We highly recommend however, that you please inform your guests, contractors or repairmen to please give current and valid contact information and to return visitor parking passes when departing property. Your cooperation will be greatly appreciated and once again we apologize for all the confusion.

DATE OF NOTICE: *November 7, 2018*
