### WEBSITE OF THE MONTH

Here is a new feature for our monthly newsletter. It's the "Website of the Month". Every month we will present an interesting site which is worth visiting. Get ready for free stuff and visit our site of the month [www.totallyfreestuff.com](http://www.totallyfreestuff.com) and look at the stuff you can get!

### SPRING HAS SPRUNG

Spring has sprung and the weathers getting warmer, so no doubt you will be opening up your jalousies for some nice fresh air. However, noise will become more audible so let's make April be kind to your neighbor month by being more aware of the noise resonating from TV's, radio's, musical instruments and such!

Thank you!

### Month of April

Easter Sunday 4/24

Mosquito Guard Spraying 4/11

Pest Control Treatment 4/18

Bulk Item Pick Up 4/25

### F. Y. I

Annual Lateral Pipe Clean Outs were done in March and were done on each building to reduce water being backed up to the lower units

### \*\*\*FRIENDLY REMINDERS\*\*\*

1. Please don't forget that all loose trash must be placed in plastic bags before taken to the trash room.
2. All Pet Owners please kindly pick up after your pet and be more aware of where they are doing their business
3. Be Kind and Park within your line! Be careful of how you park within your stalls because it does affect your neighbor's stall!

Visit our website at [colonnadeonthegreens.org](http://colonnadeonthegreens.org) where you will find current events, announcements, house Rules and even have access to Cabana & Game room reservation forms.

### MANY THANKS!!!

Want to thank Personal Touch Landscaping for purchasing a new improved and quieter leaf blower for our hardworking landscapers!

Did you know . . . Hawaii has the highest life expectancy in the United States
